

DISCUSSION QUESTIONS

After the end of sanctions by the West, will Iran succeed in its efforts to find state legitimacy with Europe and the United States?

1. How do frosty relations with Israel facilitate U.S. rapprochement with Iran?
2. In what ways will Sunni states deter Iran, if and when it becomes nuclear?
3. What are the chances of an evolution from theocracy to constitutional government?
4. Will Iran cease support for anti-Western terrorism if it resumes full relations with the West?
