

## DISCUSSION QUESTIONS

# Europe: Death or Renewal

1. Why do formerly Soviet Eastern bloc European nations seem more pro-American than their Western European counterparts?
2. Why does Europe seem more vulnerable to jihadist threats than the United States?
3. Which European Union nation, if any, is next most likely to withdraw from the EU?
4. Is there still a "German problem," and if so, what can be done about it?
5. Are the problems of NATO similar to those of the EU?
