

DISCUSSION QUESTIONS FOR EDUCATORS AND POLICY MAKERS

Will the Arab Spring offer any improvement, either domestically or internationally, over what it has replaced?

1. Why do moderates always seem to be squeezed out in the aftermath of a dictator's demise?
2. To what degree have the failures of the Arab Spring, directly or inadvertently, aided Israel?
3. Can the U.S. develop any coherent and consistent policy to deal with the widely different upheavals in Egypt, Libya, Syria, and elsewhere in the Arab world?
