

## DISCUSSION QUESTIONS

# Trump's New Nationalism

1. What are the American precedents, if any, for President Trump's supposed new nationalist American foreign policy?
2. How do Trump's assertions about foreign policy differ from the Obama's administration's "lead from behind" protocols?
3. Can NATO be reformed without American ultimatums about European nations' meeting their NATO defense spending requirements?
4. Do limited air strikes against perceived threats constitute interventionism?
5. To what degree will bilateral defense pacts begin to replace traditional multinational defense alliances?
