U.S. Military Policy in Afghanistan

1. Is it time to write-off Afghanistan and get out, double down on our current strategy, or focus on Kabul and outsource the countryside to the warlords?
2. Has any foreign power controlled Afghanistan for long?
3. Are the benefits of a stable Afghanistan worth the costs of foreign aid and/or occupation?
4. What are the interests of Iran, Russia, Pakistan, and India in Afghanistan?
5. Why does Afghanistan remain a tribal society?
