

DISCUSSION QUESTIONS

The Value of Economic Sanctions

1. Were the economic sanctions against Iran working until the so-called Iran Deal ended them in 2015?
2. Have economic sanctions slowed down or diminished North Korea's nuclear capability?
3. Did economic sanctions work in isolating, neutralizing or weakening the communist Cuban regime?
4. Would continuation of economic sanctions have precluded a need to invade Iraq in 2003?
5. Did economic sanctions finally force the end of the South African apartheid government?
