

DISCUSSION QUESTIONS

U.S.-China Trade Tensions

1. Since its capitalist reforms, has China ever given concessions to any trading partner?
2. Will growing tensions make China's Asian neighbors more or less friendly to Beijing?
3. To what degree does China have the ability to stir up trouble through surrogates like North Korea and Iran?
4. Is there now a new informal alliance of China, Russia, Iran, Turkey, and North Korea?
