

ACKNOWLEDGMENTS

ONCE AGAIN I wish to express my gratitude to the Hoover Institution on War, Revolution and Peace and its director, John Raisian, for supporting the publication of this work. Joanne and her late husband, Johan Blokker, gave generously in support of the Hoover Institution Press series, *Philosophic Reflections on a Free Society*, for which I wish to express my deep gratitude. The contributing authors were cooperative, patient, and conscientious throughout the entire publishing process. David M. Brown has helped with some editing, and I wish to thank him for this. Tina Garcia has been very helpful with administrative aspects of this project, and, once again, the diligence of Pat Baker, Ann Wood, and Marshall Blanchard of the Hoover Institution Press is also much appreciated.
